The Sims 3: Supernatural There's a new super-compressed version of The Sims 3: Supernatural. If you're looking for just the expansion pack, then this is for you. You can download the compressed file here and unpack it into your main The Sims 3 folder when prompted. If there's something in particular you're interested in learning how to do in the game, let us know and we'll add it to this post! Please note that some features may not be accessible with this version of the game due to its loss of quality. Sims can now control their bladders better than before, which helps them last longer before "going" again. Also, Sims can now relieve their bladder needs in bathrooms by using sinks or bathtubs. This expansion pack includes new occult-themed objects, including alchemy tables and dragon-headed sphinxes for both residential and commercial use. There are new clothing items, hairstyles, and tattoos. There are 4 new neighborhoods for Sims to explore, each with its own unique style. Included in these new neighborhoods are several landmarks, including the castle of the werewolf prince, a vampire hangout bar, a full-moon party hall where vampires meet, and an aquarium that includes fish that weren't included in previous expansion packs. Additionally included is a haunted castle where ghosts and witches live. The Sims 3: Seasons focuses on weather and time of year as it affects gameplay and tells a story about change and variety throughout the seasons of life at your Sim's lot.
